Transcripts & Licensure

Need to request an official transcript for your license application? The AAVSB is here to make the process easier! Before you get started, review jurisdictional license requirements using the AAVSB's [Regulatory Board Look-Up](#). Some jurisdictions and some license types may not require an official transcript. However, some jurisdictions may require *additional* forms, along with a transcript or diploma.

How to Request a Transcript

Not sure where to start? It might be as easy as searching “[School name] Transcript Request.” Your school’s website should guide you on where to request your transcript. Many schools use [Parchment](#) or [ClearingHouse](#) to process their transcript requests. You can find helpful tutorials on those services here:

[Parchment Guide](#)

[ClearingHouse Guide](#)

When requesting your transcript, use the information below to send your transcript via mail or email. For fastest processing, opt for sending electronic transcripts when possible.

Is your transcript on file with the AAVSB?

If you have not ordered a transcript to be sent to the AAVSB before, this is a great time to do it. The AAVSB can keep your transcript on file and when possible, send a digital version to any future boards. To send your transcript to the AAVSB request it be sent to: viva@aavsb.org or AAVSB, Attn: VAULT, 12101 W 110th St, Suite 300 Overland Park, KS, 66210 USA.

On the following pages are specific directions for each licensing board in the US and Canada.
